

Summer Camps

FULL DAY OPTIONS

The majority of our camps run from 9:00am to 12:00noon and 1:00–4:00pm. In the past we have offered the opportunity for families to create full day camp experiences that are customized for each child by putting together camps offered in the morning and afternoon and adding in a supervised lunch time. In order to keep our students, instructors and staff as safe as possible,

this year we are only allowing full day campers to choose from the following pre-scheduled packages. Each package will include morning and afternoon camps as well as the supervised lunch time and will allow us to keep students in individual groups similar to cohorts. Any student planning to attend a full day of camps, must register for the full day packages listed below.
