

Dancing Through Time: Tech Schedule

June 7-12, 2022

SPACING, TECH & DRESS REHEARSALS ARE ALL MANDATORY

**Tech is stage lingo for setting the lights, spacing the dancers on stage and all the backstage choreography needed.*

Instructions for *tech rehearsals: On Tuesday and Wednesday, June 7 & 8, dancers must arrive at least 15 minutes before their group is scheduled to be on stage. Dancers should warm-up before their spacing time, and must stay in the theater for the duration of their time slot. Each dance will space with their teacher, while Christina creates the lighting, then that group of dances will run in order. Please understand that while we try very hard to stick to the schedule, technical and dress rehearsals by nature are unpredictable. Please come with your patience, snacks, books and/or quiet games. I have allowed plenty of time for each dance to space, therefore we could also run a bit ahead of schedule. Show order is posted on the windows of studio 15 and 20 & in studio 23: with the working title of each dance, class level, day, time and instructor. On Tuesday & Wednesday dancers should wear their practice clothes, appropriate dance shoes and have their hair up. NO food is allowed in the theater. The theater can be chilly, so plan on bringing layers. The teachers will let the dancers know when they are free to go.
