Dear Dance Families:

As you know registration for the fall semester begins on Friday, August 14. I have received several emails regarding fall registration and questions about class size restrictions. I am sorry the education catalog does not address COVID-19. Unfortunately, my deadline for the fall education catalog was the beginning of June and at that time, we had no idea what fall was going to look like. We felt the best decision at the time was to proceed as normal and then pivot if needed. Now that we have a better idea of what lies ahead this fall, I would like to explain our plan.

- Classes will still be limited to 9 students.
- This year the number of classes we normally would want you to take must change. To be as fair as possible, I created a spread sheet of all students in each level, did the math, and came up with the following registration guidelines.
- Protocols for in person dance classes are the same as they were in the summer:
  - Cloth face coverings must be worn at all times at the Center
  - Your temperature must be taken when you enter the Center
  - Keep physical distance as much as possible and wash your hands before and after dance classes.
  - If a dancer takes more than 1 class in a day, they should have multiple masks.
  - Read, sign and return to your child’s teacher the attached “Health and Safety Requirements” document

**Level I:** Register as you normally would

**Levels II & III:**

- **Ballet:** Register for 1 ballet class a week. If you would like to take a 2nd ballet class, have your name put on a wait list for the desired class. If there is space for you to take another class, the box office or Christina will contact you.
- **Jazz, Modern, Tap, Hip Hop:** Register for your other dance techniques as you usually would. Due to COVID-19, the Monday jazz III is no longer an advanced class, Monday and Saturday Jazz III will be considered the same level.

**Levels IV & V:**

- **Ballet:** You may register for 2 ballet classes a week. If you would like to take a 3rd ballet class, have your name on a waitlist for the desired class.
- **Modern IV:** Due to COVID-19 the Tuesday and Friday modern IV are no longer leveled for beginning and advanced modern. The teachers will work together to make sure both classes are challenging.
- **Jazz IV:** Due to COVID-19 the Monday and Wednesday jazz IV are no longer leveled for beginning and advanced.
Jazz V: Register for 1 jazz class; if you would like a 2nd jazz class please ask for your name to be put on a waitlist.
Tap & Hip Hop: Register as you normally would.
